

Welder – CDI (Entry Level)

Anything. Possible.

NorLand Limited consists of 15 specialized businesses working together as one team towards common goals. We have the unique ability to undertake complex, multi-faceted public and private sector projects within a single contract. Our businesses make **Anything. Possible!**

Joining our family means bringing your diverse ideas to the table every day, rolling up your sleeves and getting the job done! You'll work with a trusting team of diverse professionals, and go home safely **every day**, passionate and proud of what you have helped to build.

CDI, a division of NorLand Limited is looking for a team member to fill the position of **Welders** reporting to the Yard Superintendent/Journeyperson located in **Duncan, BC**. The successful candidate will be responsible promoting the company's HSE policies throughout each project.

Your Duties and Responsibilities:

- Operating manual or semi-automatic welding equipment to join metal parts
- Shaping metal parts, repairing worn metal products by welding on extra layers
- Interpret blueprints, drawings, and measurements to plan layouts
- Monitor, Maintain and repair all machinery
- Follow and enforce strict safety regulations such as wearing heat-resistant gloves, protective masks, and safety shoes
- Weld components in flat, vertical, horizontal and overhead positions.
- Working with cranes, rigging, loading and unloading transport trucks.
- Able to travel to out of town as required
- Living and promoting the NorLand shared values

To qualify for this role, you should have:

- Good communications skills
- Safety knowledge and experience in construction industry
- Current Welding certification (C.W.B)
- Ability to lift up to 70lbs (35kg) unassisted
- Willing and able to work outdoors in all weather conditions
- Valid Driver's license

CDI and NorLand Limited are committed to equity, diversity and inclusion in our recruitment and hiring practices. Only candidates who are most qualified for the position will be contacted.
