BUILDING A BRIGHTER FUTURE

Dearest Sponsors,

We invite you to join us as a sponsor of Canadian Construction Women (CCW) for the 2026 fiscal year and to be part of a milestone moment as we celebrate our 45th anniversary.

CCW is a vibrant organization dedicated to empowering women in Canada's growing construction industry. We are proud to support women who are breaking barriers, forging new paths, and making their mark — and we couldn't do it without partners like you who share that vision.

Sponsoring CCW is more than a partnership. It's a commitment to strengthening the future of construction. Your investment supports professional development, mentorship, networking, and leadership opportunities that elevate women and foster a more inclusive, innovative workforce. At the same time, it enhances your brand visibility, deepens industry relationships, and demonstrates your organization's dedication to equity and progress.

As we celebrate our 45th anniversary in 2026, we are building on a year of impactful events and initiatives with enhanced programming, signature experiences, and new opportunities to recognize and empower women in construction.

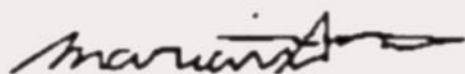

We invite you to explore this package, showcase your organization, and become part of a growing network that celebrates progress and inclusion. We look forward to collaborating with you.

Sincerely,

Canadian Construction Women Sponsorship Team

INVESTING IN THE NEXT GENERATION

In 2025 we awarded \$10,000 in bursaries to support women pursuing careers in construction.

Through the CCW Bursary Program, we fund deserving women enrolled in construction-related education and training, levelling the playing field, uplifting aspiring professionals, and building a more inclusive industry.

Every year, each of our Legacy Sponsors has the honor of presenting a ceremonial cheque, branded with their logo, to one of our bursary winners at the annual Winter Social. We are thrilled to be able to **double** our 2026 Bursary Program with the support of our sponsors.
